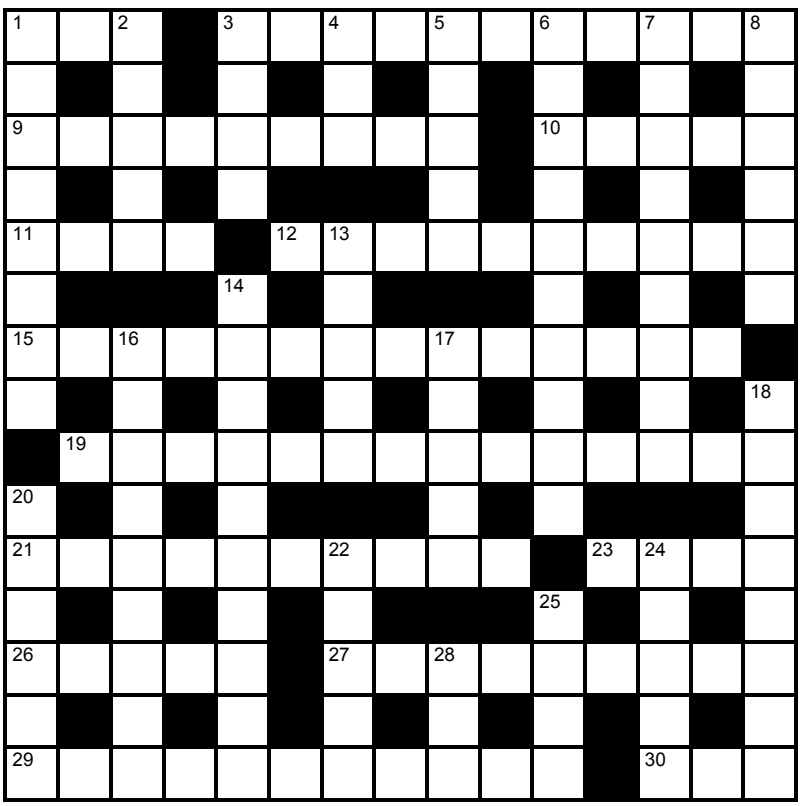
NTSPP - 169 Origin by Elgar

All clues are normal. In across answers longer than five letters, solvers should substitute nine four-letter members of a theme group of products with their four-letter origin, in one case a different origin from the other eight.

Seen another way, the eight theme words sharing the same point of origin may be locally consumed.



Across

1 Recognise date (3)
3 Combustible bullion, if far apart from the East, snatched (8,3)
9 My first wife goes ahead and drinks a lot of wine - do I dig? (9)
