

Yet by Pluriserial

In **Yet** there is a misprint in every clue. Correct letters, in clue order, spell out a slightly adapted and truncated quotation. Unclued lights give the author and the last two words. Solvers should highlight a cryptic representation of the title of the work and the name of its hero in the completed grid. One proper name is not in Chambers 2008.

Across

- 7 Jewish heroine in one of the books of the Apocrypha; she saved her people by decapitating the Assyrian general Holofernes (6)
