

Yet by Pluriserial

In **Yet** there is a misprint in every clue. Correct letters, in clue order, spell out a slightly adapted and truncated quotation. Unclued lights give the author and the last two words. Solvers should highlight a cryptic representation of the title of the work and the name of its hero in the completed grid. One proper name is not in Chambers 2008.

Across

- 7 Somewhat or rather (1,3,2)
- 8 Related by marriage (6)
- 9 The sixth month of the civil year; the twelfth month of the ecclesiastic year in the Jewish calendar (in February and March) (4)
