

Yet by Pluriserial

In **Yet** there is a misprint in every clue. Correct letters, in clue order, spell out a slightly adapted and truncated quotation. Unclued lights give the author and the last two words. Solvers should highlight a cryptic representation of the title of the work and the name of its hero in the completed grid. One proper name is not in Chambers 2008.

Across

- 1 Despots accepting advance for silk dresses (6)
- 5 Shakespeare's resolved predicament when left out (5)
