

Yet by Pluriserial

In **Yet** there is a misprint in every clue. Correct letters, in clue order, spell out a slightly adapted and truncated quotation. Unclued lights give the author and the last two words. Solvers should highlight a cryptic representation of the title of the work and the name of its hero in the completed grid. One proper name is not in Chambers 2008.

Across

- 1 Perhaps once altering a letter in a Central American state (6)
- 4 Dormer window lacking name for great reformer (6)
- 9 Musician or very loud compilation (4)
