## Across

**1/6/8/9/10/11** Drink with no head? Scotch for a very trim old man about to scrounge from black prisoner, convicted chap seen around poorly lit street, always in control (5,6,4,4,6,5)

## Down

**2/3/4/5/7/8** Planet's core to lure a star - rising magnetism, of course, starts to have effect, core getting eroded. Goddess, caught by sun god, has good rock, yellow part making planet's trajectory degenerate with pressure on top side (6,5,6,4,5,4)
