

BRAIN BREAKAGE

This puzzle's clues were hand-written by around 75 students and other library denizens during finals week in December 2015, and very lightly copy-edited for this version. The grid was designed by Sarah Boddy. You can find photos of this event and other puzzles to solve at participatorydemocrossy.com.

Across

- 1 I really ___ this food!
- 5 Shake it up?
- 7 Never on West GA food
- 10 Career move when the college life is too much
